

Arizona Gives Day is Tuesday, April 7, 2020

April 7, 2020 is a single statewide day of giving that raises funds for Arizona nonprofits and, as a 501c3 nonprofit, the House of Broadcasting Inc. (HOBI) a Radio and Television museum is listed.

Your donation will help us:

- find and fund a new museum location, allowing HOBI to continue to preserve Arizona's radio and television broadcasting history for future generations.
- fund two ASU student scholarship programs, at the Hugh Downs School of Human Communication and the Walter Cronkite School of Journalism and Mass Communication. We also are funding a scholarship at the University of Arizona.
- continue to educate and entertain people of all ages about the rich history of radio and television in Arizona with no admission fee (admission to the HOBI museum has always been free).

Private donations are a main source of fundraising for HOBI, in addition to our annual Holiday Concert.

That's why your gift, no matter the size, will allow us to continue to preserve Arizona's television and radio broadcasting history for future generations and is much appreciated.
